

PRESIDENT: The amendment is adopted.

CLERK: I have nothing further on the bill, Senator Hall.

SENATOR HALL: Mr. President, I would move that LB 275 be advanced to E & R for Engrossing.

PRESIDENT: You have heard the motion to advance 275. All those in favor say aye. Opposed no. The motion carried. The bill is advanced. LB 177.

CLERK: Mr. President, I do have E & R amendments, however, Senator, I do have a priority motion. I have a motion from Senator DeCamp to bracket LB 177.

PRESIDENT: Senator DeCamp, are you available to take up your motion to bracket a bill? Senator DeCamp. There is a request to bracket a bill. It triggers a unanimous consent request. This is Senator DeCamp's bill. Is there objection? If not, the bill will be bracketed as requested. Senator Pirsch.

SENATOR PIRSCH: I will object. I would like to at least know why it was going to be bracketed.

PRESIDENT: Senator DeCamp, here we are. We were trying to take care of your bill in the best way we could.

SENATOR DECAMP: Yes. Mr. President, Senator Chambers came to me and asked if I would sit down and negotiate with him or discuss it with him before I took it. I try to accommodate everybody rather than waste an hour or two hours of time here. I am willing to sit down for some reasonable amount of time and then try to move ahead with the bill. As I say, I am willing to sit down. He and Senator Higgins both have some problems with it so give me a reasonable amount of time and I will sit down and maybe we can process it in five minutes instead of five hours. That's the whole reason.

PRESIDENT: Does that answer your question, Senator Pirsch?

SENATOR PIRSCH: (Microphone not activated)...bracketed then to a specific date.
